

TASK 10: Couple and weave the human-animal's biological processes with other ecological cycles through variants or conceptually linked ideas of shit; ineluctable results; digestion, fabrication, intervention (Arendt). And "the friend"; to or of; embarrassment of riches.

---

Union Park, Florida, June-July 2013 : watching the George Zimmerman trial in a trailer with an addict and a toilet full of noxious fumes : Kristen Gallagher

grocery delivery : vodka bottle recycling : septic system particulars

George and his notecards : "is the toilet lid down" : the word "thug"

inadequate drainage : methane : the landlord

woman in purple blouse on stand looking where lawyer points : explosive decomposing process : cheap rent

trying to find a bus route with no reception : the number of manatees disappearing : "d'jya put the lid down?"

Fox News between Pawn Stars and The Big Bang Theory : aerosol deodorant : looking for Zora Neale Hurston

Zimmerman's daily briefcase ritual : it's alligator nesting time : fume

the citrus in the air : the judge asks if this woman is allowed to leave : do not light a match

the right to attack "anyone you've never seen before" : 45 year old white male brain dead from septic gases : bathroom curtain as door

toilet next to bed : obsession : sump vent

spanish moss : 100' of electrical cord : a dream of staying underwater as long as you can

"hon, you gotta keep the toilet lid down" : still no cell reception : sulfur

limestone : county line : learning to see the walls of the courtroom

deep breath : 20 lbs of water pressure : men in suits standing in clusters shuffling paper

a person shitting behind a shower curtain one foot away : Fox News insignia : chocolate bar walls and ceiling

feeling lightheaded : the defense has no questions for this woman : “put the lid down!”

the lawyer’s long skinny hands like fishes swimming away into the air on either side of him : the soil where the shit decomposes : the silence of the court stenographer-typist

the lawyer saying “a neighborhood under attack” : air conditioning : “this kind of thing happens down here all the time”

living space : the sound of shuffling paper, restacking files : a hoodie spread out and displayed between glass panes
