

war declares Bush

“her defend who all and country our bless God May

.prevail will we And .others to freedom bring will We .freedom our defend will We
.peace of work the on carry and peril of time this through pass will We .overcome be
will world the and country our to dangers the ,citizens fellow My

.victory but outcome no accept will we and measures half of campaign a be not will
this ,you assure I And .force decisive apply to is duration its limit to way only the
,come has conflict that Now

.cities our of streets the on doctors and police and firefighters of armies with later it
meet to have not do we that so ,Marines and Guard Coast Navy, Force Air ,Army our
with now threat that meet will We

.murder mass of weapons with peace the threatens that regime outlaw an of mercy
the at live not will allies and friends our and States United the of people The .sure is
purpose our yet ,reluctantly conflict this enters nation Our

.done is work their as soon as home coming be will forces our that know can you
and people American the of respect and gratitude the have you ,sacrifice your For

.innocent the of protection the for and ones loved your of safety the for you with
praying are Americans of Million

.soon and safely return will serve who those all that praying are military our of
families the that know I

.people own its to country that of control restore and threat a remove to except
,Iraq in ambition no have We .practice they faiths religious the for and civilization
great their for ,citizens its for respect with Iraq to come We

.commitment sustained our require will country free and stable ,united a achieve
Iraqis helping And .predict some than difficult more and longer be could California
as large as nation a of terrain harsh the on campaign A .harm from civilians innocent
spare to effort every make will forces coalition that know to world the all and
Americans want I

.people his against atrocity final a ;military own his for shields as children and
women ,men innocent use to attempting ,areas civilian in equipment and troops

Iraqi placed has Hussein Saddam .morality of rules or war of conventions for regard
no has who enemy an faces America ,conflict this In

.military American the of spirit decent and honorable the witness will liberate you
people The .bravery and skill your know to come will confront you enemies The

.placed well is trust That

.you on depend now people oppressed an of hopes the and world troubled a of
peace the ,East Middle the in now forces armed States United the of women and men
the of all To

.defense common our in serving of honor the share and duty the bear to chosen has
coalition this in nation Every .units combat of deployment the to ,logistics and
intelligence with help to ,bases air and naval of use the from ,support crucial giving
are countries 35 than More

.campaign concerted and broad a be will what of stages opening the are These .war
wage to ability Hussein's Saddam undermine to importance military of targets
selected striking begun have forces coalition ,orders my On

.danger grave from world the defend to and people its free to ,Iraq disarm to
operations military of stages early the in are forces coalition and American hour this
at ,citizens fellow My”
